DONATION TERMS AND CONDITIONS

All donation request forms must be accompanied by an introductory letter on official letterhead. Your request will not be considered if this is not included.

The completion of this form does not guarantee a donation, and the request must be submitted a minimum of 6 weeks prior to the event.

Central Coast Mariners players are available only for a one-hour block for each event (unless approved by the Mariners Football Department).

Donation is subject to availability, and due to the large number of requests we receive each year we are not able to fulfil all requests.

Any forms that are not fully completed will not be considered. Please ensure that all sections are filled out.

Central Coast Mariners reserve the right to offer an alternate donation if the item requested is not available.

Requests from Mariners Members, official partners, local clubs and other community groups who are actively involved with the Central Coast Mariners will receive priority.

Any organisation who is approved for a donation request will be required to provide photos after the event to community@ccmariners.com.au along with any details on how much money was raised at the event.

I verify that I have read and agree to the Donation request policies.
